## NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years with pains in my left side, and would often almost smother to death."

Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. "There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles."

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

Get a bottle of Cardui to-day.

## IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Use it like a cold cream and dry Eczema eruptions right up.

The moment you apply bold-sulphur to an itching or broken out skin, the itching stops and healing begins, says a renowned dermatologist.

This remarkable sulphur made into a thick cream effects such prompt relief, even in aggravated Eczema, that it is a never-ending source of amazement to physicians.

For many years bold-sulphur has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasite-destroying properties and nothing has ever been found to take its place in relieving irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet in every instance, it immediately subdues the itching irritation and heals the Eczema right up and it is often years later before any eruption again manifests itself.

Any good druggist will supply an ounce of bold-sulphur, which should be applied to the affected parts like the ordinary cold cream. It isn't unpleasant and the prompt relief afforded is very welcome, particularly when the Eczema is accompanied with tortuous itching.
